

ADDENDUM

Due to the death of August Derleth last summer, we have had to alter publication plans as announced herein.

pages 2-3 SELECTED LETTERS III (\$10.00), THE CALLER OF THE BLACK (\$5.00), and SELECTED POEMS (\$10.00) are now available.

We have encountered certain difficulties with this title that are certain to postpone publication later than announced

pages 4-5

We hope to publish THE CHRONICLES OF SOLAR PONS (\$5.00) in Fall 1972. This may be ordered in advance.

here; however, we are determined to see it through publication and THE ARKHAM COLLECTOR: VOLUME I (\$10.00) is now available. hope for Christmas 1972!

Derleth's HPL: NOTES TOWARD A BIOGRAPHY has been cancelled. Eventually, we hope to arrange for another biography of Lovecraft.

Unfortunately, certain complications have darkened the publication possibilities for THE WATCHERS OUT OF TIME; at best, the contents as announced will undoubtedly undergo modification if publication does occur.

We are planning on the publication of the remaining three titles; this is for certain. However, ~~definite publication dates and firm prices are not available at this time. Therefore, we ask that you do NOT advance order these books until announced.~~

The Arkham Collector is another item in question. We have yet to begin issue # 11, and as a result the magazine has been indefinitely suspended. However, all back-issues (1-10) are available @ 65¢ each, with the one exception of issue #2 -- this issue is no longer available.

Therefore, please do not send us any new Collector material, and if you have already subscribed to Volume II, # 1 (11), etc., please apply the appropriate credit from this cancellation to your next order.
